is located in a predominantly minority neighborhood to a minority depository institution or women's depository institution (as these terms are defined in 12 U.S.C. 2907(b)) will be considered as a qualified investment.

- (e) Performance criteria. The appropriate Federal banking agency evaluates the investment performance of a savings association pursuant to the following criteria:
- (1) The dollar amount of qualified investments:
- (2) The innovativeness or complexity of qualified investments;
- (3) The responsiveness of qualified investments to credit and community development needs; and
- (4) The degree to which the qualified investments are not routinely provided by private investors.
- (f) Investment performance rating. The appropriate Federal banking agency rates a savings association's investment performance as provided in Appendix A of this part.

§195.24 Service test.

- (a) Scope of test. The service test evaluates a savings association's record of helping to meet the credit needs of its assessment area(s) by analyzing both the availability and effectiveness of a savings association's systems for delivering retail banking services and the extent and innovativeness of its community development services.
- (b) Area(s) benefitted. Community development services must benefit a savings association's assessment area(s) or a broader statewide or regional area that includes the savings association's assessment area(s).
- (c) Affiliate service. At a savings association's option, the appropriate Federal banking agency will consider, in its assessment of a savings association's service performance, a community development service provided by an affiliate of the savings association, if the community development service is not claimed by any other institution.
- (d) Performance criteria—retail banking services. The appropriate Federal banking agency evaluates the availability and effectiveness of a savings association's systems for delivering retail

banking services, pursuant to the following criteria:

- (1) The current distribution of the savings association's branches among low-, moderate-, middle-, and upper-income geographies;
- (2) In the context of its current distribution of the savings association's branches, the savings association's record of opening and closing branches, particularly branches located in low-or moderate-income geographies or primarily serving low- or moderate-income individuals;
- (3) The availability and effectiveness of alternative systems for delivering retail banking services (e.g., ATMs, ATMs not owned or operated by or exclusively for the savings association, banking by telephone or computer, loan production offices, and bank-atwork or bank-by-mail programs) in low- and moderate-income geographies and to low- and moderate-income individuals; and
- (4) The range of services provided in low-, moderate-, middle-, and upper-income geographies and the degree to which the services are tailored to meet the needs of those geographies.
- (e) Performance criteria—community development services. The appropriate Federal banking agency evaluates community development services pursuant to the following criteria:
- (1) The extent to which the savings association provides community development services; and
- (2) The innovativeness and responsiveness of community development services.
- (f) Service performance rating. The appropriate Federal banking agency rates a savings association's service performance as provided in appendix A of this part.

§ 195.25 Community development test for wholesale or limited purpose savings associations.

(a) Scope of test. The appropriate Federal banking agency assesses a wholesale or limited purpose savings association's record of helping to meet the credit needs of its assessment area(s) under the community development test through its community development lending, qualified investments, or community development services.
